Medskill, SGT University and the National Health Academy invite you to attend the 4th International Oral Cancer Congress, **IOCCON 2025**, scheduled for February 6–9, 2025. The primary goal of the conference is to bridge the basic and clinical aspects of cancer treatment, prevention, prognosis, progression, and origin. The exceptional scientific program, engaging virtual activities, and networking opportunities with palliative care doctors, medical and radiation oncologists, rehabilitation scientists, oral/onco-surgeons, and companions worldwide are all promised at **IOCCON 2025**.

Registration commences in late December 2024, and the IOCCON 2025 early bird registration fee is available through December 31, 2024. Through talks and lectures, paper and poster presentations, and informal Zoom interactions, I have no doubt that you will learn from and alongside peers throughout the world.

Whether you are a dental surgeon, onco-surgeon, oral physician, oral pathologist, a trainee, an allied health professional, or someone else working in the oral oncology field, **IOCCON 2025** is dedicated to providing you with access to the most recent research, and best practices, and scientific advancements to help you deliver exceptional patient care, grow your practice, and advance our profession.

Everyone is welcome to attend **IOCCON 2025**.

Greetings from the 4th International Oral Cancer Congress (**IOCCON**) 2025!

This historic event will take place from February 6th to February 9th, 2025, and we truly hope you will join us. Your participation will be beneficial to our collaborative efforts, and I genuinely hope to see you there.

Bringing together cutting-edge research, game-changing concepts, and cooperative prospects in the battle against oral cancer is the goal of **IOCCON 2025**. This conference, which focuses on compassionate developments in diagnosis, treatment, and prevention, brings together internationally renowned speakers, cutting-edge research, and networking opportunities to equip professionals with the most recent insights, innovations, and best practices.

We are committed to giving every guest an amazing scientific experience. We can develop a global community to fight oral cancer and push ideas together. Your active participation in **IOCCON 2025** is therefore essential to achieving this priceless objective.

I'm excited to have you attend **IOCCON 2025**, an exciting gathering where teamwork leads to revolutionary change.
